## ERRATUM

DIFFERENCES IN CHANGE SCORES AND THE PREDICTIVE VALIDITY OF THREE COMMONLY USED MEASURES FOLLOWING CONCUSSION IN THE MIDDLE SCHOOL AND HIGH SCHOOL AGED POPULATION, Volume 6, Number 3, September 2011, Pages 150-157.

In above mentioned IJSPT paper the contribution by Sheryl Holt, PT, MS, was erroneously left out. The authors acknowledge Sheryl for her critical contribution to the initial conception and facilitation of the paper. Sheryl was the faculty facilitator for two of the co-authors on the study. Sheryl is currently a faculty member at Wheeling Jesuit University in West Virginia. The authors of the article apologize for this oversight.

Sincerely

Chad Cook, PT, PhD, MBA, OCS, FAAOMPT
